ENGLISH AND FRENCH TO HOLD GERMANS IN CHECK

BIG BATTLE IS NOW IN PROGRESS

Allies Are Assuming Offensive.

ENGAGEMENT MAY LAST SEVERAL DAYS

Paris Official Report Says Fighting Is Occurring All Along Vast Line.

Paris, Aug. 24.—The following official announcement was issued:

"A great battle is now in progress along a vast line extending from Mons to the frontier of Luxembourg. Our troops in conjunction with the British have assumed everywhere the offensive. We are faced by almost the whole German army, both active and reserve.

"The ground, especially on our right, is thickly wooded and difficult. The battle is likely to last several days.

"The enormous extent of the front of the great number of forces involved makes it impossible to follow step by step the movements of each of our armies.

"We must await the phase of the result of the first combat before we can form any conclusion as to the situation. Otherwise we should be giving to the press divergent and contradictory news, since such a battle naturally is made up of actions and reactions which follow and connect in a continuous manner.

"In view of the general situation determined us to withdraw our troops from Donon and the Saales pass. Those points were no longer of any importance, since we occupied the fortified line, beginning at Grand Couronné de Nancy. Lunéville is occupied by the Germans and at Namur the Germans are making great efforts against the forts, which resist energetically.

"The forts at Liege still hold. Fort Chaudfontaine has been the scene of an act of heroism which affirms once more the brilliant valor of the Belgium army.

"The fort, which commands the railroad to Aix-la-Chapelle, by Verriers and the tunnel to Chau Defontaine, was subjected to a continual bombardment.

"When it was reduced to a mere heap of ruins and Major Nache, the commanding officer, judged that further resistance was impossible, he blocked up the tunnel by running several locomotives into each other and set fire to the fuses leading to the mines surrounding the forts.

"His mission then accomplished Mr. Nache, determined that the German flag should not fly even over the ruins of his fort, blew up the powder magazine and perished."

RUSSIAN ARMY IS MOVING

Claims to Have Inflicted Heavy Losses on Germans.

London, Aug. 24.—A Times dispatch from St. Petersburg confirming the report that the Russian left has completely enveloped the remnants of the Germans, leaving the lake region and the line of the German retreat toward the River Angerapp, in East Prussia, and the Mazur lakes in Russian hands, says that the Russians are sweeping the environs of Interburg and have occupied Darkemen and thus the line between Thorn and Dantzic is within the sphere of Russian operations.

"I learn from an authoritative source," says the correspondent, "that the German forces engaged lost two-thirds of their effectiveness. Unless the Germans are able to bring up strong reinforcements the Russians may proceed to the investment of Königsberg."

NORTHERN BELGIUM IS QUIET

No Signs of German Invaders Near Antwerp.

Amsterdam, Aug. 24, via London.—The correspondent of the Telegraph at Antwerp telegraphs that all Northern Belgium seems to have been evacuated by the Germans. He says there was no indication of a German advance on Antwerp.

According to the postal authorities train service to Ghent and further west has been restored, as has communication over the line from Antwerp to the frontier of Dutch Limburg. To the southward the trains are not able to proceed beyond Malines.

FRANCIS JOSEPH.

Emperor of Austria
Said to Be Very Ill.

FRANCIS JOSEPH MAY DIE AT ANY MOMENT.

London, Aug. 24.—A Rome dispatch to the Exchange Telegraph reports that Emperor Francis Joseph is in a grave condition and may die at any moment.

LATEST DEVELOPMENTS IN EUROPE.

The French and British troops are facing the greater part of the German army along a battle line which extends from Mons to the Luxembourg frontier. The allied armies, which have been concentrating at strategic points for the past two weeks, are believed to be strongly entrenched, with powerful forts to lend them support in holding back the invaders.

Japan has come into the war of nations. The emperor of Japan has declared war on Germany and the Japanese fleet and land-forces are ready for the struggle around Kiaochow, the German protectorate in China.

Coincidentally with Japan's declaration of war against Germany the British official news bureau announces that the Austro-Hungarian government has ordered the Austrian cruiser, Kaiserin Elizabeth, now at Tsingtau, to disarm and further instructed the crew to proceed to Tientsin. This apparently eliminated Austria from the conflict in the Far East.

Reports are current that Emperor Francis Joseph is seriously ill. These reports have been denied, but they are being reiterated.

Official Russian dispatches claim victory for the Russian forces over the German forces. Duke Nicholas, commander of the Russian army, describes Russian victories in East Prussia.

LEAVING BRUSSELS TO INVADE FRANCE

Antwerp Neglected and Invaded City Not Molested.

London, Aug. 24.—Telegraphing from Ostend, Reuter's correspondent says:

"The German troops are camped in the suburbs of the villages around Brussels. They are not in the town itself. No German flags fly over the royal palace or the town hall. In fact, the Germans are leaving the administration to the civil authorities.

"The troops which surround the city are not those which fought at Louvain and Aerschot, but forces brought by the railway from Aix-la-Chapelle to Liege and Trier and who came thence by motor car.

"It is impossible to rove about the country, as bicycles and motor cars are prohibited in the province of Flanders.

"The Germans occupy all villages and towns, thus assuring the passage of their troops, a majority of which are leaving Brussels and marching toward France. Antwerp, for the moment, is being neglected."

Wireless Help Signal.

The symbol "S O S" as used in wireless telegraphy simply means "Hurry up! Drop everything else and get help to me at the earliest possible moment!" Apart from this there is nothing to the call. The letters were selected because they are the best calculated to carry the hurry-up call.—New York American.

Special to Dispatch:

Paris, Aug. 24, 1:20 P. M.—The following official announcement was made here today:

The Russian line on the German frontier extends from Tilsit to Iverberg and Arys.

The French troops were repulsed across the river Meuse in complete rout, the Crown Prince's army giving chase. They took many prisoners and it is declared the French troops are no longer able to face the terrific fire of the German infantry.

TSINGTAU BEING BOMBARDED TODAY

Special to The Dispatch:

RETREAT RESEMBLES ROUT

Russian Commander Reports Defeat of Germans.

St. Petersburg, Aug. 24.—Grand Duke Nicholas, commander-in-chief of the Russian army, issued the following statement:

"Battles in East Prussia from Sunday to Thursday were fought with the utmost desperation. The spirit of the troops is excellent. Our battle front extends for a distance of over forty versts (about twenty-six miles)."

"The Russian troops occupied Goldapp and Arys. The retreat on the 20th of the German army corps near Lyck resembled a rout. The money confiscated in the treasury amounted to 50,000 marks (\$10,000).

"The enemy's troops are evacuating the frontier in the vicinity of Willemberg. The German population is abandoning the villages and fleeing northward."

FOOTHOLD IN EAST PRUSSIA

Russians Report Wholesale Retreat of German Army.

London, Aug. 24.—The correspondent of Reuter's Telegram company at St. Petersburg sends the following official announcement, made public in the Russian capital:

"The flights of the last few days have resulted in a wholesale retreat of the Germans, giving the Russians control of that part of East Prussia beyond the Vistula river."

GERMANY AND JAPAN ARE AT WAR

Mikado's Army Will Invade China.

NAVY WILL BLOCKADE HARBOR AT KIAOCHOU

President Wilson Will Issue Another Proclamation of Neutrality.

Tokio, Aug. 24.—The emperor of Japan declared war on Germany.

This action was taken at the expiration of the time limit of Japan's ultimatum to Germany demanding the surrender of Kiaochow.

The Japanese government has ordered the beginning of operations on land and sea.

The imperial rescript declaring war upon Germany was issued. It officially inaugurates hostilities in the Far East as the result of Germany's failure to reply to the Japanese ultimatum.

The proclamation of the emperor sent a thrill throughout the country. Japan's entrance upon the fulfillment of her obligations to her ally, Great Britain, responds to the popular will from one end of the land to the other.

Cheering crowds assembled before the buildings occupied by the department of foreign affairs and the administration of the navy. There were lantern processions through the streets. The popular manifestations, however, do not approach the enthusiasm which preceded the war with Russia.

Count von Rex, the German ambassador, has been handed his passports. He probably will leave for America, either on the Minnesota, sailing Thursday, or the Manchuria, which departs on Saturday. George W. Guthrie, the American ambassador, will represent Germany. The diet has been convoked in special session for Sept. 3.

No action has been taken relative to Austria and the foreign office has explained that Japan will remain friendly unless Austria adopts an attitude which it regards as offensive.

It is reported here that Germany has been trying to transfer the German railroad in Shantung, China, to America. Tokio believes, however, that the United States, pursuing the policy of neutrality outlined by President Wilson, will not accept. President Wilson's announcement of neutrality has pleased the Japanese greatly.

VERBAL ANSWER TO JAPAN

German Government Says It Has No Reply to Make.

London, Aug. 24.—A dispatch to Reuter's Telegram company from Amsterdam says an official communication received there from Berlin declares that the Japanese diplomatic representative in the German capital received by word of mouth the German answer to the Japanese ultimatum.

This was that the German government has no reply to make to the Japanese demands. The government therefore was obliged to recall the German ambassador at Tokio and hand his passports to the Japanese charge at Berlin.

DARIUS MILLER IS DEAD

President of Burlington Road a Victim of Appendicitis.

St. Paul, Aug. 24.—Darius Miller of Chicago, president of the Chicago, Burlington and Quincy, director and officer in several railroads and banks, died at Glacier National park, according to dispatches received in St. Paul by financial and railroad associates.

Death followed an operation Saturday at the Glacier National Park hotel. Acute appendicitis was given as the cause.

With his wife Mr. Miller had been touring the park. He was apparently well Wednesday. Sudden intestinal ailments caused his friends concern and doctors were hastily summoned from St. Paul, Great Falls, Mont., and Spokane, Wash.

Belgians Still Hold Forts.

London, Aug. 24.—A dispatch to the Havas agency from Ostend says the Belgian minister of justice declared that all the forts at Liege and Namur were still in the hands of the Belgians.

DUKE OF THE ABRUZZI.

Commander-in-Chief of the Italian Army.

London, Aug. 24.—A dispatch to the Exchange Telegraph company from Rome says that the Duke of the Abruzzi has been appointed commander-in-chief of the Italian army.

WILL CONFINE WAR TO EASTERN ASIA

Japan Asks United States to Look After Her Interests.

Washington, Aug. 24.—Viscount Chinda, the Japanese ambassador here, notified the United States that Japan had declared war on Germany. The American government immediately was asked to care for Japan's interests in Germany. Assurances recently given by the British government to the United States that Japan's activity would be confined to the China seas and Eastern Asia were repeated by Viscount Chinda.

The position of the United States as set forth in Secretary Bryan's note of three days ago has met with the approval of Japan. In that communication the United States "noted with satisfaction" that Japan promised to maintain the integrity of China and eventually restore Kiaochow to China, that Japan sought no additional territory and had pledged herself in pursuance of the Anglo-Japanese alliance to the maintenance of the principle of the "open door" in China and equal opportunity for the commercial interests of all powers.

President Wilson issued the formal proclamation of neutrality similar to those made with respect to the other belligerents in the European war.

"Strong Russian forces were advancing against the German line at Gumbinne. The first German army corps turned against the Russians Thursday and checked them, secured 8,000 prisoners and eight guns. The German cavalry division took 500 prisoners after having fought two Russian cavalry divisions.

"The French attempt to invade Upper Alsace has been frustrated by the defenders. In Lorraine the French are retreating from the frontier.

"The army north of Metz, under the crown prince, advancing on both sides of Longwy, has defeated and forced back the French army. The other army under the Bavarian Crown Prince Rupprecht, as already reported, won a victory in Lorraine. The German guns have been thundering at Namur."

DENIES REVOLUTION STORY

Russian Government Says Caucasus Are Tranquil.

London, Aug. 24.—A dispatch to Reuter's Telegram company from St. Petersburg contains the following official statement by the Russian government:

"The Russian government denies the report circulated in Germany that a revolution has broken out in the Caucasus and that the frontier population has asked Turkey to intervene and restore order. Perfect order prevails in the Caucasus, where volunteers were so numerous that many of them had to be refused. Several entire tribes have requested permission to fight with the regular army."

ANNOUNCE FRENCH DEFEAT

Germans Tell of Victory for Their Arms in Lorraine.

New York, Aug. 24.—The following unsigned dispatch has been received: "Berlin (no date), wireless to St. Louis, L. I., Aug. 24.—The third French army has been defeated. This is highly important strategically, as well as because of its moral effect. The campaign seems to be the product of the much discussed French policy to anticipate an advance into Belgium by attempting to crush the center of the German positions in Lorraine which they were led to believe weak."

"As a result of the French failure it is held probable that they will renew their defensive position. German experts are confident that the frontiers, like those at Liege, will speedily succumb to the heavy artillery."

SERVIANS SLAUGHTER AUSTRIANS

Victory Due to Accuracy of Fire.

GERMAN ALLY LOSES HEAVILY IN BATTLE

Official Account of Fighting Made Public at Nish.

Nish, Servia, Aug. 24.—The following official communication was made public here:

"After the great Serbian victory the Austrians fled in complete disorder before the Serbian pursuit.

"The Ninety-first, the One Hundred and Second, the Eleventh and the Twenty-eighth Austrian regiments have been completely routed. The commander-in-chief of the Twenty-first division of Austrian infantry was killed, as was also the commander of the Twenty-eighth regiment.

"Seventeen Austria craft have been sunk by the Serbian artillery.

"The details of the great battle of Aug. 20 are only now becoming known. The Austrian forces were composed of nine divisions and numbered nearly 200,000 men. The Serbians were much inferior in number, but showed greater heroism. Their handling of their artillery, their superior marching and endurance and discipline and the accuracy of their fire insured them the victory.

"During their flight the enemy committed atrocities in the villages of Boritch, Bogossavatz and Araskatz, slaying women and children."

GETS WIRELESS DISPATCH

German Charge at Washington Tells of French Defeat.

Washington, Aug. 24.—Haniel von Heintzenhausen, the German charge d'affaires, took to the state department the following message, which he said he had received by wireless from Germany:

"Strong Russian forces were advancing against the German line at Gumbinne. The first German army corps turned against the Russians Thursday and checked them, secured 8,000 prisoners and eight guns. The German cavalry division took 500 prisoners after having fought two Russian cavalry divisions.

"As a result of the French failure it is held probable that they will renew their defensive position. German experts are confident that the frontiers, like those at Liege, will speedily succumb to the heavy artillery."

WILL CONFINE WAR TO EASTERN ASIA

Japan Asks United States to Look After Her Interests.

Washington, Aug. 24.—Viscount Chinda, the Japanese ambassador here, notified the United States that Japan had declared war on Germany. The American government immediately was asked to care for Japan's interests in Germany. Assurances recently given by the British government to the United States that Japan's activity would be confined to the China seas and Eastern Asia were repeated by Viscount Chinda.

The position of the United States as set forth in Secretary Bryan's note of three days ago has met with the approval of Japan. In that communication the United States "noted with satisfaction" that Japan promised to maintain the integrity of China and eventually restore Kiaochow to China, that Japan sought no additional territory and had pledged herself in pursuance of the Anglo-Japanese alliance to the maintenance of the principle of the "open door" in China and equal opportunity for the commercial interests of all powers.

President Wilson issued the formal proclamation of neutrality similar to those made with respect to the other belligerents in the European war.

CHILDREN OF ALBANIAN
MONARCH FLEE TO BARI.

London, Aug. 24.—The Durrazzo correspondent of the Exchange Telegraph company says that a party which arrived at Bari comprised the children of Prince William of Weid. He adds that it is not known whether the prince himself is in flight.

French Severely Punish Germans in Attack on Mulhausen.

London, Aug. 24.—A dispatch to the Daily Mail from Basel, Switzerland, dated Aug. 22, says the Germans for the past three days have been endeavoring to force the French out of their entrenchments around Mulhausen.

The fierce attacks of the Germans were several times repulsed, the correspondent continues. A continuous procession of wounded Germans is proof of the bloodshed caused by the French artillery on the hills around Altkirch.

A night attack was visible from Basel. One could see the explosions of the howitzers from the mountain occupied by the French. Searchlights in Baden picked out the position of the enemy.

Italy May Join Allies.

Malta, Aug. 24.—Influential Italians living here declare they have good reason to believe that Italian intervention in the war in favor of Great Britain, France and Russia is only a question of days.

Diplomatic Clearing House.

Washington, Aug. 24.—Washington is the clearing house for the world's diplomatic news since Japan declared war on Germany. This government is acting for all warring powers and all messages must go through Washington.

MUSIC AND DRAMA**At the Columbia**

Like very few stories, "The Shadow of Disgrace" as shown at the Columbia last night, has a softening influence and leaves an impression that all is well in the human heart. Great care has been taken to shadow forth the people and scenes in accurate costumes and environment, hence it is a delight to the eyes and it is to be hoped other stories will be screened that may exert the same influence. Mable Trunnell, who assumed the leading character, was all that could be imagined. Her personality intensely sympathetic, wondrously magnetic, reached every heart.

Mr. Bergh was heard in violin solo. The complete show as presented last night will again be given this evening. Tomorrow is the first of "The Man Who Disappeared" series.

BENEFIT PERFORMANCE

By Rural Teachers Association at the Grand Theatre, August 27th

A benefit performance is to be given at the Grand theatre Thursday evening, August 27, by the Rural Teachers Association. The proceeds will be used to pay the expenses of two pupils who will represent Crow Wing county in the spelling contest at the state fair Friday, Sept. 11.

In this contest over 100 children will contest for the state championship and over 40 counties will be represented. The elimination contest in this county took place in March, the winners being Erma Rhodes of Emily and Gladys Blackburn of Ft. Ripley. The girls are both strong spellers and the teachers of Crow Wing county are confident that one at least will be a winner in the state contest.

This is the first time that our county has been numbered among those sending a representative to the state spelling contest, principally because there never seemed a way to meet the necessary expense. This year the teachers' organization has undertaken to raise money for the trip and they earnestly desire the cooperation of all citizens interested in the progress and development of the county. There will be both a written and an oral contest at the state fair, and prizes of \$20 will be awarded the winner of each. In addition to the regular program at the Grand Thursday night the best of Brainerd's home talent will be represented, so that the public is promised an unusual entertainment. Tickets may be obtained for 10 cents from any of the teachers.

Keep Your Liver Active During the Summer Months—Foley Cathartic Tablets for Sluggish Liver and Constipation

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it incurable, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. LOCAL DRUGGIST SAYS:**"TAKE ONLY ONE DOSE"**

We want to tell those in Brainerd suffering from stomach or bowel trouble that we are agents for the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, the remedy which became famous by curing appendicitis. This is the most thorough bowel cleanser known and JUST ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. You will be surprised at the QUICK action of Adler-I-ka. Johnson's Pharmacy.

Kidney trouble is particularly to be dreaded because its presence is not usually discovered until it has assumed one of its worst forms—diabetes, dropsy or Bright's disease. If you suspect that your kidneys are affected, by all means use Hollister's Rocky Mountain Tea—the great systematic cleanser and regulator.—H. P. Dunn, druggist.—Adv. 16

By Rural Teachers Association at the Grand Theatre, August 27th

A benefit performance is to be given at the Grand theatre Thursday evening, August 27, by the Rural Teachers Association. The proceeds will be used to pay the expenses of two pupils who will represent Crow Wing county in the spelling contest at the state fair Friday, Sept. 11.

In this contest over 100 children will contest for the state championship and over 40 counties will be represented. The elimination contest in this county took place in March, the winners being Erma Rhodes of Emily and Gladys Blackburn of Ft. Ripley. The girls are both strong spellers and the teachers of Crow Wing county are confident that one at least will be a winner in the state contest.

This is the first time that our county has been numbered among those sending a representative to the state spelling contest, principally because there never seemed a way to meet the necessary expense. This year the teachers' organization has undertaken to raise money for the trip and they earnestly desire the co-operation of all citizens interested in the progress and development of the county. There will be both a written and an oral contest at the state fair, and prizes of \$20 will be awarded the winner of each. In addition to the regular program at the Grand Thursday night the best of Brainerd's home talent will be represented, so that the public is promised an unusual entertainment. Tickets may be obtained for 10 cents from any of the teachers.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by J. C. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. Cheney & Co., Toledo, O. Sold by Druggists. Take "Hall's" only Pills for constipation.

LOCAL DRUGGIST SAYS:

"TAKE ONLY ONE DOSE"

We want to tell those in Brainerd suffering from stomach or bowel trouble that we are agents for the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, the remedy which became famous by curing appendicitis. This is the most thorough bowel cleanser known and JUST ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. You will be surprised at the QUICK action of Adler-I-ka. Johnson's Pharmacy.

Kidney trouble is particularly to be dreaded because its presence is not usually discovered until it has assumed one of its worst forms—diabetes, dropsy or Bright's disease. If you suspect that your kidneys are affected, by all means use Hollister's Rocky Mountain Tea—the great systematic cleanser and regulator.—H. P. Dunn, druggist.—Advt. 16

DETECTIVE LUCE BRINGS ACTION

Superior Detective Commences Suit for \$5,000 Against Mrs. Geo. Monson

SUPERIOR TELEGRAM STORY

Charges She Maliciously Prosecuted Him—Will be Tried at Crosby Says Telegram

The Superior Telegram prints a story regarding N. A. Luce, a detective of Superior, Wis., wherein it is alleged he has started an action against Mrs. George Monson, of Crosby. Inquiry at the district clerk's office in Brainerd failed to bring to light any court papers substantiating such a story. The Superior Telegram says:

"Detective N. A. Luce has commenced suit against Mrs. George Monson of Crosby, Minn., for \$5,000 damages.

Luce alleges that he was maliciously prosecuted by the Monson woman who caused his arrest on a warrant sworn out by her charging him with contributing to the delinquency of Amanda Ross, the Monson woman's sixteen year old daughter, while the girl was employed as a stoopie by Luce to secure evidence against blindpigs.

The detective was arrested and arraigned in the municipal court for a hearing but the Monson woman refused to answer summons to come to Superior to testify against him.

This gave color to stories which had been previously circulated that the Luce case would never be pushed for the reason that evidence which would of necessity be introduced would involve the sons of various men more or less prominent in Superior.

Luce is represented in the case by a Duluth attorney who has filed notice of suit with the clerk of the court for the district in which Brainerd is located."

Canfield-Walker

A wedding of a very unusual character took place at the home of Mr. and Mrs. L. A. Canfield, 612 N. E. 4th avenue, when the daughter of Mrs. Canfield, Miss Grace E. Satterlee at nine o'clock Saturday evening. The attendants were Miss Gladys Abbot and Mr. Edward White, and Miss Admira White presided at the organ and played the Lohengrin chorus. The bride wore a gown of flowered crepe and carried bride roses. After September 1st they will be at home at 612½ N. E. 4th avenue.

PINE RIVER IS SHUT OUT

North Country Town Puts up a Game Little Fight in Baseball Game Sunday Afternoon

VICTOR ON MOUND FOR LOCALS

Double Plays by Each Team are Features as Well as Umpiring of Editor Dahl

Pine River, full of assurance that it had the punch to win a ball game from Brainerd, backed its assurance by one hundred iron men and mobilized at Brainerd Sunday afternoon to shoot holes into the locals.

Brainerd had Victor on the mound and the effectiveness of his work and that of his compatriots may be realized when he struck out nine Pine Riverites and the locals shut out the visitors and won by the score of 3 to 0.

It was a good, fast game, marked at times by some weird umpiring on the part of their dictator of the diamond, E. B. Dahl, editor of the Pine River Sentinel-Blaze. At the start off Mr. Dahl turned out some decisions which caused the grand stand to rise upon its feet and protest with a roar of disapproval. However, what runs Brainerd made were earned runs and there was no squabble about them.

In the first inning V. Bowman fled to first and Cook bounded in the air after the throw, nailed it, came down and tagged the runner before he reached first.

"Safe," said Mr. Dahl. And the Brainerd fans let out a terrific shout. Kinler struck out. Jones lammed the ball near third and Templeton whipped it to second, catching Bowman and Larson relayed it to Cook, nailing Jones.

Brainerd came to bat and took very kindly to E. Bowman's pitching. Bender, first man up, rapped out a two-bagger. Larson whaled the ball over the fence and scored Bender on his two-bagger. Sheffield made first and Pine River's first baseman, according to the view point of many in the grand stand, never tagged first base.

"Out," was the editorial comment of Mr. Dahl.

Cook drew a base on balls. Templeton flew out.

In the third inning Brainerd brought in another run. Bender was called out on an awful strike decision. Larson got another two-bagger. Sheffield flew out to left field. Cook's clean hit scored Larson. Templeton also landed a hit, but died on base when Bush went out pitcher to first.

Pine River had a chance to score in the fifth inning but was not alive to its opportunity. Anderson hit out a two-bagger. Leaf, was put out. Pitcher Bowman made first and attempted to steal second. Half of Brainerd's outfield centered around second and eventually got Bowman's goat. During all that commotion Andrews hugged third base and watched the play. When it was over, he realized that Bowman had started the diversion to give him a chance to make home. Ostby struck out and that finished the only chance of Pine River's emerging from its coat of white wash.

In the seventh Victor pitched three balls. Kinler went out pitcher to first. Jones flew to Sheffield and Andrews blew up third to first. Pine River pulled off a fast double play in the second when Erickson pounded up a bunt fly to Pitcher Bowman who whirled it to second base and caught Bush.

Visitors from Pequot were Ray Anderson, Jack Lee, James Richmond and Mr. Larson, manager of the lumber yard there, all four traveling in an auto. In another auto were Kenneth Bemis, Kenneth Ferguson, Mrs. Arthur Bremken, Mrs. May Kline and Robert Bremken, of Pine River. Another auto party from Pine River included William Gilbert, Melvin Ramsey, Miss Alexia McKenzie, Miss Pearl Carter. A fourth Pine River car carried Art Glover, Mrs. Geo. Jones, Miss Sadie Cromett, Mrs. B. C. Robideau and daughter, Eldora. Mrs. Robideau is a cousin of Sam Robideau, the coming light weight boxer who meets Pal Brown at Superior, Wis., on Labor Day. Peter Lillstrom, Fred Rush and Lee Bennett, of Pine River, Wesley Caro and son Charles Andrews of Jenkins, also saw the game.

Boys on a Camping Trip Meet Romance and Adventure

"The Lady of the Island"

Imp Two-Reel Drama

Among the stirring features of the play is a race between a motor boat and an eight oar shell, containing college athletes. The college boys seek to rescue a girl, while those in the motor boat seek to prevent. Another element of interest in the picture is a trained dog, which plays an important part in the story; it was shipped especially for the picture from Rhode Island, and is acknowledged to be one of the best trained and most intelligent animals in America. Practically all of the scenes are laid out of doors, rich in natural settings. There is boating, yachting, camping and hunting. The story is rife with surprising twists; of course there is a romance, but just how it is all going to come out, keeps one guessing to the end.

On Tuesday evening at 7:30 the Harrison school play grounds will be officially opened to the public, the program and entertainment being given under the auspices of the Southeast Brainerd Improvement Association which raised the money and interested Southeast Brainerd and other people in aiding to secure this improvement and advantage for the children of their section of the city.

The officers of the improvement association are President E. H. Jones, vice president Mrs. L. D. Greene, secretary Miss Hannah Falconer, treasurer A. G. Anderson. Early in July the St. John's Chatter club set in motion the idea for playground apparatus at the Southeast Brainerd school grounds and the plan met with instant favor. There was secured a shoot the chutes, six par swings, tennis nets, a see-saw, revolving ladder, flying rings, four cross bars, etc.

On Tuesday evening the program includes the lawn social, for which already over 400 tickets have been sold at 10 cents each, a concert by the Unity band and other attractions. The whole town has been invited. The park board, Messrs. Adair, Linnemann and Strickler, the ward aldermen and other city officers have been asked to be present.

DETECTIVE LUCE BRINGS ACTION

Superior Detective Commences Suit for \$5,000 Against Mrs. Geo. Monson

SUPERIOR TELEGRAM STORY

Charges She Maliciously Prosecuted Him—Will be Tried at Crosby Says Telegram

The Superior Telegram prints a story regarding N. A. Luce, a detective of Superior, Wis., wherein it is alleged he has started an action against Mrs. George Monson, of Crosby. Inquiry at the district clerk's office in Brainerd failed to bring to light any court papers substantiating such a story. The Superior Telegram says: "Detective N. A. Luce has commenced suit against Mrs. George Monson of Crosby, Minn., for \$5,000 damages.

Luce alleges that he was maliciously prosecuted by the Monson woman who caused his arrest on a warrant sworn out by her charging him with contributing to the delinquency of Amanda Ross, the Monson woman's sixteen year old daughter, while the girl was employed as a stoop-pig by Luce to secure evidence against blindpigs.

The detective was arrested and arraigned in the municipal court for a hearing but the Monson woman refused to answer summons to come to Superior to testify against him.

This gave color to stories which had been previously circulated that the Luce case would never be pushed for the reason that evidence which would of necessity be introduced would involve the sons of various men more or less prominent in Superior.

Luce is represented in the case by a Duluth attorney who has filed notice of suit with the clerk of the court for the district in which Brainerd is located."

A wedding of a very unusual character took place at the home of Mr. and Mrs. L. A. Canfield, 612 N. E. 4th avenue, when the daughter of Mrs. Canfield, Miss Grace E. Walker, was united in marriage to the son of Mr. Canfield, Mr. Alfred A. Canfield. The short ring service of the Methodist Episcopal church was read by Rev. Elbert E. Satterlee at nine o'clock Saturday evening. The attendants were Miss Gladys Abbot and Mr. Edward White, and Miss Admira White presided at the organ and played the Lohengrin choros. The bride wore a gown of flowered crepe and carried bride roses. After September 1st they will be at home at 612 1/2 N. E. 4th avenue.

PINE RIVER IS SHUT OUT

North Country Town Puts up a Game Little Fight in Baseball Game Sunday Afternoon

VICTOR ON MOUND FOR LOCALS

Double Plays by Each Team are Features as Well as Umpiring of Editor Dahl

Pine River, full of assurance that it had the punch to win a ball game from Brainerd, backed its assurance by one hundred iron men and mobilized at Brainerd Sunday afternoon to shoot holes into the locals.

Brainerd had Victor on the mound and the effectiveness of his work and that of his compatriots may be realized when he struck out nine Pine Riverites and the locals shut out the visitors and won by the score of 3 to 0.

It was a good, fast game, marked at times by some weird umpiring on the part of their dictator of the diamond, E. B. Dahl, editor of the Pine River Sentinel-Blaze. At the start off Mr. Dahl turned out some decisions which caused the grand stand to rise upon its feet and protest with a roar of disapproval. However, what runs Brainerd made were earned runs and there was no squabble about them.

In the first inning V. Bowman fled to first and Cook bounded in the air after the throw, nailed it, came down and tagged the runner before he reached first.

"Safe," said Mr. Dahl. And the Brainerd fans let out a terrific snort.

Kinler struck out. Jones lammed the ball near third and Templeton whipped it to second, catching Bowman and Larson relayed it to Cook, nailing Jones.

Brainerd came to bat and took very kindly to E. Bowman's pitching. Bender, first man up, rapped out a two-bagger. Larson whaled the ball over the fence and scored Bender on his two-bagger. Sheffield made first and Pine River's first baseman, according to the view point of many in the grand stand, never tagged first base.

"Out," was the editorial comment of Mr. Dahl.

Cook drew a base on balls. Templeton flew out.

In the third inning Brainerd brought in another run. Bender was called out on an awful strike decision. Larson got another two-bagger. Sheffield flew out to left field. Cook's clean hit scored Larson. Templeton also landed a hit, but died on base when Bush went out pitcher to first.

Pine River had a chance to score in the fifth inning but was not alive to its opportunity. Anderson hit out a two-bagger. Leaf, was put out. Pitcher Bowman made first and attempted to steal second. Half of Brainerd's outfield centered around second and eventually got Bowman's goat. During all that commotion Andrews hugged third base and watched the play. When it was over, he realized that Bowman had started the diversion to give him a chance to make home. Ostby struck out and that finished the only chance of Pine River's emerging from its coat of white wash.

In the seventh Victor pitched three balls. Kinler went out pitcher to first, Jones flew to Sheffield and Andrews blew up third to first. Pine River pulled off a fast double play in the second when Erickson pounded up a bunt fly to Pitcher Bowman who whirled it to second base and caught Bush.

Visitors from Pequot were Ray Anderson, Jack Lee, James Richmond and Mr. Larson, manager of the lumber yard there, all four traveling in an auto. In another auto were Kenneth Bemis, Kenneth Ferguson, Mrs. Arthur Bremken, Mrs. May Kline and Robert Bremken, of Pine River. Another auto party from Pine River included William Gilbert, Melvin Ramsey, Miss Alexia McKenzie, Miss Pearl Carter. A fourth Pine River car carried Art Glover, Mrs. Geo. Jones, Miss Sadie Cromett, Mrs. B. C. Robideau and daughter, Eldora. Mrs. Robideau is a cousin of Sam Robideau, the coming light weight boxer who meets Pal Brown at Superior, Wis., on Labor Day. Peter Lillstrom, Fred Rush and Lee Bennett, of Pine River, Wesley Curo and son Charles Andrews of Jenkins, also saw the game.

Boys on a Camping Trip Meet Romance and Adventure

"The Lady of the Island"

Imp Two-Reel Drama

Among the stirring features of the play is a race between a motor boat and an eight oar shell, containing college athletes. The college boys seek to rescue a girl, while those in the motor boat seek to prevent. Another element of interest in the picture is a trained dog, which plays an important part in the story; it was shipped especially for the picture from Rhode Island, and is acknowledged to be one of the best trained and most intelligent animals in America. Practically all of the scenes are laid out of doors, rich in natural settings. There is boating, yachting, camping and hunting. The story is rife with surprising twists; of course there is a romance, but just how it is all going to come out, keeps one guessing to the end.

Officer of an Organization in the City Criticizes the Dispatch on All Sides

With refreshing candor an officer of an organization of the city criticized the Dispatch from all angles, doubted the size of its subscription list, etc., and then wanted a lot of publicity.

No proposition is perfect. Handing out criticism is the easiest thing in the world to do. But to make the best of existing conditions, to boost Brainerd and its inhabitants, many of whom borrow their neighbors' papers and who never use a bit of printers ink in advertising, that is the situation to face. And the newspaper business, more than any other, gets loads of advice with precious little cooperation.

Within a few weeks the Dispatch will install a modern press. The city will be canvassed from end to end. The man who roared that he never took the paper because Brainerd had no big paper, will be asked to subscribe. The business man, and that includes every man doing business in Brainerd, will be asked to make an advertising contract.

Cooperation of the people makes a big paper. Subscribing for out of town papers when you neglect your home paper does not build up the local daily. Carrying no advertising in a paper does not enable it to increase its size.

Within a few weeks it will be a showdown for the citizens of Brainerd. A big paper, one which will reflect the growth and enterprise of the city, is possible if all cooperate.

GERMAN LOSSES ARE HEAVY

Long List Said to Have Been Published Saturday.

London, Aug. 24.—In a dispatch from Copenhagen the correspondent of the Daily Mail says the sixth list of German casualties was published Saturday. It contains the names of 823 killed and wounded.

The heaviness of the German losses in the war, the correspondent says, is shown by the fact that only 100 out of 1,000 soldiers from Rostock returned alive from Liege.

The stables on the Berlin race course have been transformed into a military lazaretto and the race course restaurant has been made into a hospital with 600 beds. All the hospitals at Spandau, in the suburbs of Berlin, already are overcrowded with wounded.

EYES TROUBLE YOU?

TRY THIS SIMPLE RECIPE.

We all know some home remedy for our ills, troubles, and by the use of these remedies many a doctor's bill is saved and countless many a life.

How do you know what to do when their eyes are sore, red, and sore, or feel dry and itchy, or when you feel rough or sticky, or they are itchy when you read? What do you do? Most of us rush off and get glasses (perhaps at some cheap store where we very often do not need them), which are wearing, mist or unnecessary glasses which they might better discard and other things they might better do. Thousands can, with a little care, probably so strengthen their eyes that glasses might not be necessary. Here is a free receipt that may be relied upon to give comfort and to help the eyes of some people; it is harmless and has the enthusiastic endorsement of thousands who have used it.

5 Grains Optona (1 tablet),
2 Ounces Water.

Use as an eye wash night and morning, or clear if possible. It makes most eyes feel nice, quickly allays irritation, brightens the eyes and sharpens the vision. Many who have used it no longer feel the need of glasses; many others have ceased to fear that they will soon be obliged to wear them. Get the Optona tablets from your nearest druggist and prepare the solution at your own home.

A gang of boys planned a raid on all the fruit trees in the city of Little Falls, but the local paper tipped it off to the public. A good sound thrashing administered without respect to person or damage done to the boys would be the best remedy, and there are several in Brainerd ripe for the remedy.

Some valuable shore land on Lake Ontario, and numerous islands in the lake, have been found open to homestead, and there has been a rush of seekers for vacant government land right in the village limits. It was not until a few weeks ago that any attention was given to the ownership of several acres of shore land—and when the discovery was made the excitement commenced.
